

**W. ROBERT HARRIS  
M.D., F.R.C.S. (C)  
Professor (Emeritus), Department of  
Surgery, University of Toronto.**

Sustained by his loving wife and family, supported by good friends, Bobs died at home of pancreatic cancer on Wednesday, December 14, 2005.

He was a deeply loved husband, father, father-in-law and grandfather, esteemed by his patients and his medical colleagues.

He leaves his dear wife Barbara and his children: his daughter Nancy and her husband Tony Reid and their children Stephanie, Daniel, Natalie and David; his daughter Janet and her husband Jon Reid and their sons Giles and Julian; his son Rob and his wife Penny and their children Rose and Robert; his daughter Pam and her daughters Maddie and Emma Lou. He also leaves his brother Irving and all his valued Harris and Drew-Brook connections.

A private service will be held. Friends and family are invited to join us at a Memorial Gathering at 12 noon on Monday, December 19, at Massey College, University of Toronto, 4 Devonshire Place. In memoriam donations, if desired, may be made to Princess Margaret Hospital.
